Please include your name and phone number

Franklintownship Highlights

Clair Zenkers of Citizens Hose Co. #1 presented the report for his company. He suggested that the supervisors consider the future adoption of a smoke detector ordinance. Chief Blouch of Franklintown Fire Company presented the report for his company.

Mr. Jesse Fusselman owner of a property on Range End Road, was at the meeting and asked the board for an extension of time to get rid of junk cars on his property. The Board granted Mr. Fusselman an extension to February 15, 1990 to bring the property into compliance with the township ordinance.

Mr. Kauffman was at the meeting-he has signed a contract to purchase the former David Snyder property at 11 Franklin Hills Road-he has now learned of the sewage problems at the property. The board gave Mr. Kauffman copies of letters the township had sent to the Sheriff, Attorneys etc. in connection with this problem. The board also asked Mr. Kauffman to contact the township SEO for further information on this.

Chief Richard Blouch and Asst. Chief Robert McDermott discussed the proposed fire company contract with the board. They have questions regarding who is in charge of a fire, etc. when other companies also respond. The board asked them to get together with the other companies involved and work out any problems and details and bring back the results of the township, for further consideration.

The board approved the subdivision plan of Kevin Anderson and also the subdivision plans of Glenn and Dianne Johnson.

The board disapproved the subdivision plan of Mahlon McCoy due to the non receipt of an approved sewage planning module from DER and due to the township engineer's comments.

The board adopted a resolution to amend the township comprehensive sewage plan to include the Mahlon McCoy subdivision and to forward the same to DER for their consideration.

The board voted to disapprove the land development plan of Dr. Peter Drake due to the comments of the township engineer.

The board voted to disapprove the subdivision plan of John William Hamm due to the comments of the township engineer and due to the non receipt of an approved sewage planning module from DER.

The board voted to disapprove the land development plan of Kenneth-Lan Inc. due to the comments of the township engineer, due to the inadequate size of lot #1 and a question as the location of the driveways. The board agreed that the developer may submit both a land development plan and a subdivision plan (to correct the inadequate size of lot #1) at the same time.

The board disapproved the land development plan of Long Lengths Inc. due to the lack of bonding in the amount of $500.00 for filling in the present septic system and also in response to a request by Surveyor John Williams for a delay in action on the plan due to the possibility of a change by the owner in the make up of the plan.

The supervisors approved the decrease to $17,000.00 for bonding for phase II of Twin Hills.

The board agreed to send a letter to Mr. Jesse Kolb notifying him that Mr. Anderson will be entering onto his land in the future to do the work necessary to bring the area into compliance with the approved subdivision plan. It was agreed that we would ask Mr. Anderson to contact Roadmaster Leeew prior to commencing with the work and Roadmaster Leeew will notify Mr. Kolb.

Mr. Grove reported that Carroll Blose has capped off the portion of her sewage drainage line, as requested. Mr. Grove also reported that John Barnhill has capped the offending drain onto Range End Road. The possible problem that was discussed at a previous meeting regarding the Jerry Morrison property has been cleared up-the person questioning the system has now been satisfied.

It was agreed that the township will allow a Mr. Dymacek, a salesman for home security systems, access to building permits issued by the township but he will need to make an appointment with Mr. Eng and any copying will have a charge connected-the township will not furnish him with a copy of the reports we make to the county.

The township will send a letter to the office manager of Tive, Aetnick and Pierce notifying her that billing must be received by the 10th of the month, prior to the supervisors' meeting, or the bill will be held over until the next month, the township will not pay to extra charges or penalty in connection with this.

BPO Eng will send a letter to Wilmar Manor owners concerning possible violation of township building permit regulations and questioning the status of the court in connection with prior approved plans of the court.

BPO Eng will contact Michael Dobrinoff in connection with his home property on Franklin Church Road. It appears that Mr. Dobrinoff is developing a used car lot on this property and he will need a land development plan. It was agreed that one building permit will be revoked for the "shed" that appears to be for an office for the possible car lot and he will be notified that he needs to remove the used car signs until the matter is cleared up.

The board adopted a Snow Emergency Ordinance effecting parking along May Drive, Furman road, Little John Drive, Stephanie Drive, St. George Drive, Robin hood Road, East and West Greenhouse Road-this ordinance permits towing and establishes fines for parking during snow storms. The board passed a resolution establishing a cost of $45.00 for towing and first day storage and $6.00 per day for storage thereafter, names Wickers Service Center as the authorized towing garage and storage facility and requested a certificate of liability insurance from Wicker.

The board passed the 1990 budget as advertised and prepared with tax rates as follows: effective 1/2 of 1% property transfer tax, effective 1/2 of 1% earned income tax, 345 real estate tax and $5.00 per capita tax

NOTICE

Gifted Students

Gifted 4th graders from Northern York School District's Dillsburg and Wellsville Elementary Schools discovered that patience was the key to proficiency on an electron microscope Dr. Gerald Hess Professor of Biology at Messiah and also a member of the Northern York County School Board, demonstrated this complicated scientific apparatus to Pam Wenger's Special Interest Program class which allows high IQ students to explore different areas of interest outside of traditional academic settings. Dr. Hess, through sharing with groups like this one hopes to encourage today's youth to pursue science as a career

SUPPORT YOUR LOCAL FIRE COMPANY

Eichelberger elected chairman

by Mary Lou Bylof

Larry Eichelberger and David Lawrue were elected chairman and vice chairman, respectively of the Carroll Township Board of Supervisors at the board's reorganizational meeting on Tuesday a January 2.

Norman H. Shelly, Jr. the third supervisor began serving his six year term that night.

The board set the 1990 salaries for township employees as follows:

Secretary/Treasurer Faye Romberger at $6.75/hour and $25 meeting

Chief of Police A.W. Castle III at $29,400

All part time police officers at $4/hour

Roadmaster Robert Noss at $10/hour

Assistant Roadmaster Paul King at $8.50/hour

Township Solicitor Suzanne Ortiez at $65/hour

Cmwang Guard and Special School Policeman Daniel Wehler at $7/hour

Township Engine Walter Heine at $5/hour

In other business the board approved the preliminary plan for Coover Heights, a residential development of 28 lots off Old Mill Road.

The board also denied the request of Tom Carl of Fairway Hills to operate the video camera during township meetings and to maintain and update the information lines at a fee of $30 per month. The supervisors said they wish to open the position to volunteers.

Students arrested for drugs

After a month long investigation the Carroll Township Police have arrested three Northern High School students in connection with an alleged drug act violation. Male students, ages 17, 18, and 19 have been formally charged by Cpl. Ray Taylor.

Police allege that the 19-year-old delivered and sold hashish to students at the school. The 17 and 18 year olds were charged with possession of hash. The violation occured on November 15, 1989 and November 17, 1989 during school hours. In cooperation with the Northern School District, police were able to arrest the suspects.

If convicted, the dealer can be sentenced to 3 years of total confinement for each violation. Under the new Controlled Substance, Drug, Device and Cosmetic Act, additional sentencing and fines could be placed, which include up to 15 years confinement and/or a $250,000 fine, according to the police report.

Possession charges could constitute imprisonment and a fine of up to $500.

Chief Castle hopes that this investigation will deter drug trafficking within our School District and wants to send out the following message to those who deal drugs or use them: "If you get caught, we plan to prosecute to the fullest extent of the law." We plan to keep our community and school, 'Drug Free'."

Meeting

C.R.A.B.B. (Consumers Resolved Against Bad Building) will holds its second meeting in the Auditorium of Boscov's (West Shore) on Thursday January 18, 1990 at 6:30 pm. Attorney Jay Braderman will speak.

ABATE Meeting

The Mason Dixon Chapter of Abate of Pennsylvania will hold their first meeting of the New Year on January 13, 1990 at JJ's in Bonneville (Rt. 116, 5 miles east of Gettysburg) at 2:30 p.m. The Adams County Rep. Brian Deibler invites all area motorcyclists to attend.

Fasick Graduates

Michael A. Fasick, son of Mr. and Mrs. Harry Fasick Jr. 268 Orc Bank Road, Dillsburg, was among the 360 students who received master's, bachelor's or associate's degrees during Millersville University's winter commencement December 17.

Fasick received a bachelor of science degree in computer science

Thefts reported at school

Carroll Township Police are investigating several thefts which have occured at Northern High School.

The last two incidents happened on January 3 1990 after school was dismissed.

Clothing of students was stolen from a locker room. Pockets of the clothing contained money and property with a total value of approximately two hundred twenty two dollars.

Students and parents are urged not to leave any items unattended or unlocked.

911 call a hoax

On December 26, 1989, an anonymous callet to York 911 Center reported he had been at a party at the Paul Walters' residence in Carroll Township but left when someone had gotten a gun and fired two shots.

Police determined that the call had been false and obtained a copy of the taped 911 call.

Investigation led to the issuance of a citation to Michael Yeagy, 21, of Dillsburg
